

To whom it may concern at the FCC,

I am a resident of Indianapolis, Indiana and currently on the "Do Not Call List" (Indiana telephone Privacy List) and would like to voice my concern about proceeding #02-278. Mainly, I would like to express my opposition to proceeding #02-278. I do not want the Consumer Bankers Association (CBA) to impose the federal "established business relationship" exemption on Indiana consumers. It is nothing more than a legal way to harass private citizens in the privacy of their own homes. If we want to do business with them, we will contact them, on our time..... Between the hours of 8am and 5pm. Don't call me... I will call them if I want to do business... The CBA simply needs to find other avenues of marketing to do business.

Thank You for your time,

James Jackson
